Dear Colleagues of the International Arab Baccalaureate

Following a comprehensive review of the International Arab Baccalaureate, I am pleased to confirm that Queen's University Belfast will accept the three-year International Arab Baccalaureate Diploma qualification for admission to Year 1 of our undergraduate degree programmes. The required scores are outlined below:

AAA – 93%

AAB – 90%

ABB – 87%

BBB – 84%

BBC – 81%

Subject-specific requirements must be met. Where Grade A is required in a subject at A-level, a score of 90% will be required, and for Grade B a score of 85%. Other selection criteria may apply depending on the programme applied for.

Applicants would be required to provide an acceptable English language qualification, such as an IELTS Academic test.

These criteria will be reviewed periodically by the Admissions and Access Service at QUB and we withhold the right to update or amend these criteria at any time.

I trust that this is helpful – we look forward to supporting your students.

Yours sincerely
