**RE: Edinburgh Napier University Recognition of International Arab Baccalaureate**

I am pleased to confirm that Edinburgh Napier University recognises the International Arab Baccalaureate, which meets the academic level required for first year entry onto our bachelor's degree programmes.

Each programme at the University sets its own requirements, and students will be required to achieve an overall percentage score of 75% with at least 75% in any required subjects listed on the university website. In addition, students will be required to meet our English language requirements as per the list of acceptable qualifications and scores published on the university website.

Acceptance of the IAB will be reviewed periodically by the Admissions and the International Recruitment Teams at the University.

Should you require any further information please do not hesitate to contact me via email ([S.Easter@napier.ac.uk](mailto:S.Easter@napier.ac.uk)).

Kind regards,

Stuart Easter  
Head of International Partnerships & Student Recruitment
