**RE: University of Birmingham recognition of International Arab Baccalaureate**

I am writing this letter to confirm that for the September 2021 intake, the University of Birmingham will consider applications from students taking the International Arab Baccalaureate qualification.

Each programme at the University sets its own requirements, so the exact grades a student will need to score will differ by programme. A general comparison of overall percentage to A level grades is provided below. Please note some programmes will have additional subject specific requirements, and there may be other conditions to achieve as well. Applicants should refer to the course page of the programme they wish to study to identify the full range of requirements.

A\*AA – 96%

AAA – 93%

AAB – 90%

ABB – 87%

BBB – 84%

The University is excited by this development, and keen to enhance our partnership with the IAB, and with schools offering this qualification.

Acceptance of the IAB will be reviewed periodically by the Admissions and the International Recruitment Teams at the University.

Should you require any further information please do not hesitate to contact me via email ([d.rice@bham.ac.uk](mailto:d.rice@bham.ac.uk)).

Yours faithfully,

David Rice  
Regional Manager – BIA and Middle East
